## The Monthly Magazine of the Residents Association

The objects of the BHRA are to act as an intermediary between the residents and other parties, to keep residents informed of matters of importance and recreation in and around the village, and to promote the interests of BAR HILL VILLAGE.

This is a private publication and may not be reproduced without permission.

ISSUE 175

MAY 1983

There are several children in this village and now that the weather is warmer, many of them will be playing outside on the village green and the play areas.

While we realise that most dog owners have proper control of their dogs, several of you responsible for the mess left by your pets; and we appeal to those few owners to train your dogs to use the gutter while out, and your own garden while at home and to prevent your pets from going out alone.

Several people have suggested that a Bye-Law would help to cut down the mess, but those who attended the Annual Parish Meeting last month will have heard that such a law is most unlikely to be approved by the Secretary of State because we are a country parish and dogs are expected to be an integral part of the countryside.

In the absence of any law, it is essential that all dog owners co-operate to keep the paths and grass in this village clean and healthy - Please help.

The next meeting will be in the School Lounge (mobile classroom behind the school) on Monday May 9th at 8.00pm. If you are interested in our activities you are welcome to come along.

#### Information Booklet

Every house in the village should have received a copy of the green Information Booklet. We have several copies remaining and intend to deliver them to new houses as they become occupied (until we run out of copies). If, however, you are a new resident in an older property, you can get your copy free from me or any Residents' Association committee member.

#### PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Tuesday 19th April in the School Lounge.

#### Annual Parish Meeting

This meeting was held on Wednesday 13th April and was well attended. The Parish Council would like to thank the guest speakers Mr. Hutchinson of Wimpey Homes Ltd., Mr. Burton of New Ideal Homes Ltd. and Mr. Railton of Wilmott Construction, as well as the representatives of village organisations who spoke to the meeting.

### Hollytrees Freeholds

As reported at the Annual Parish Meeting the necessary documents for the transfer of the freehold of Hollytrees to the Parish Council are being drawn up and it is hoped to complete the transfer within the next few weeks. Freeholds of individual properties in Hollytrees will then be made available to house-holders. As promised these will be on sale at the original prices for the first six months. Please watch the Bar Hill News for further details later in the summer.

### Dumping of Rubbish

This matter was discussed at some length during the Annual Parish Meeting and again at the Parish Council's monthly meeting. The Council has taken action to alleviate the problem but dumping continues. Prosecutions can and will be made against anyone dumping rubbish illegally providing the necessary evidence is available. Your co-operation in this matter is requested to try to solve the problem once and for all. If you see anyone dumping rubbish, please take a note of the car number and telephone the Clerk, Paul Smith on Madingley 210889 immediately. Thank you.

### The Mall

It is understood that Tesco's have plans for the redevelopment of The Mall, which are at present being discussed with the Planning Officer of the District Council. An undertaking has been given that the Parish Council will be fully consulted on these proposals at an early date. Various suggestions for the improvement of the area have been made and these will be considered in conjunction with the plans put forward by Tesco's.

### Bus Passes

The cost of bus passes for elderly and retired residents has been increased to £5.50. The Parish Council voted unanimously to continue to pay the cost in full for Bar Hill residents. Anyone who would like further information on this scheme is invited to contact Miss Lyn Moss of 7 Hanover Close (tel. 81341)

The next meeting which is the Annual Meeting of Bar Hill Parish Council will be held on Tuesday 17th May at 7.30pm in the Lounge, Bar Hill C.P. School. Residents are invited to attend.

### Letter to the Editor

The Parish Council and County Council are to be congratulated on the tree planting which has recently been taking place in Bar Hill. This will add immensely to the amenities of our village, and we must all hope that these trees will be allowed to grow to maturity without being damaged. It is worth remembering that trees are the only means we have of converting car exhaust gasses and the air we breathe out into fresh air for us to breathe in. So to destroy a tree is to destroy a life support system.

So please keep an eye on any new trees planted in the area where you live.

R. A. Foulkes

During Easter week several families from Bar Hill went to Emmertsgrund/Heidelberg on the return visit of the exchange between our two communities. I speak for us all when I say that everyone of us had a marvelous time and were overwhelmed with the kindness and hospitality that the German families gave us, we feel that it will be a week long remembered.

Indeed, there were many families in Emmertsgrund who were dissappointed that more families from Bar Hill had not participated in the exchange, for they would have been delighted to receive us into their homes. ;

As a result of these two successful exchanges we are now going to form a Bar Hill/Emmertsgrund family friendship association and hopefully this way we can encourage many more people from Bar Hill to participate in this exchange. Next Easter when our friends from Emmertsgrund come to Bar Hill it is hoped that many more people will come and more families in Bar Hill will be interested in strengthening our ties with Emmertsgrund.

Membership forms are now available from myself at 1 Pheasant Rise tel. 81292, Mr. Peter Hemsley, 63 Pheasant Rise, tel. 81350 and Mr. Tom Flanagan, 27 Acorn Avenue, tel. 80571, and we would be only too delighted to give you any information. We shall charge a \$2 fee for joining the association and this will go into a fund for entertaining the German families on their visit to Bar Hill.

Robin M. Cruse

#### MY HOLIDAY

We went over to Emmertsgrund by car then boat, then by car through Belgium and crossed the boarder into Germany and by autobahn to Heidelberg it was a good trip. When we arrived there was a party, with lots to eat and drink.

In Emmertsgrund we stayed with a very nice family in a big flat. Nearly every-one lives in flats as there are not many houses.

There are lots of playgrounds swings, slides and big climbing frames. There are 3 swimming pools in Emmertsgrund and a big bowling alley for children as well. In Heidelberg there is a big castle with a big green for the children to play on. Heidelberg is a big town with lots of shops. You get there by bus, or tram, it is a lovely place and worth going there.

### BAR HILL CHURCH

May is a month this year that sees three special Church Festivals, Ascension Day, Pentecost or Whitsunday and Trinity Sunday. Of the three, Pentecost is probably the most significant being the time when the Holy Spirit first filled and inspired the Apostles. Could Pentecost be a very special time here in Bar Hill as it would seem that the Holy Spirit is beginning to fill and inspire the Church here.

The members of the village church warmly welcome you to come and share with us at any of our services. The Church is an ecumenical one sponsored by the Baptist Church, the Church of England, the Methodist Church, the Religious Society of Friends and the United Reformed Church.

P.T.A. NEWS - SCHOOL FETE : SATURDAY 21st MAY

Since the date of our Fete is fast approaching, it is time for us to get to work in earnest. Already many of our plans are taking shape. The general structure in the way of stalls, attractions and other activities have been decided.

As always the event will start with the crowning of the May Queen who will be selected by the pupils of the school. The children will be giving a display of dancing and this will be followed by a fancy dress competition. The competition will have sections for pre-school, and infants, boys and girls. We will let you know what the theme will be closer to the event.

We have arranged some special attractions for your interest. Just before the start of the event you will see landing a helicopter from Oakington Flight Corps, and this will then be available for close inspection for the rest of the afternoon. There will also be present a fire service vehicle. Part way through the afternoon there will be a demonstration by Bar Hill Karate Club. There will of course be our usual wide array of stalls, and for some of these we are in particular need of your direct support.

- |                         |   |
|-------------------------|---|
| Tombola :               | Bottles, tins, jars of edible products which are readily conserved.   |
| Home Produce :          | Anything suitable which can be sold on the day, either as part of the refreshments stalls, or to take home. |
| Plants :                | Establish plants or cuttings.   |
| Books, comics, records: | Anything in good saleable condition which you no longer need.   |
| White Elephant :        | Anything of interest (but no clothes please).   |

If you can support any of the above stalls, please bring your donations to the school, or send them with the children. Obviously any fresh produce should be brought on the eve or the day of the event. These stalls rely entirely on your help, so please be generous.

Also we would be very pleased if you could help on the stalls or in any other way. We will be meeting at the school on the Friday evening before the event and would be pleased to see you there. Or even better, you could leave your name at the school and we will get in touch with you to see how we can best make use of your talents.

And speaking of talents, if there is anyone who practices an interesting art or craft we would like to offer you space to demonstrate either your talents or your wares. If you wish to sell your own wares we would like you to make a donation of 10% of your turnover to the funds of the Fete.

So please offer your help in any way you can. This is the main fund-raising event of the school year, and our help is needed to provide your children with high quality materials which are necessary to support the school's high standard of education. We look forward to your support and to hearing from you.

The graph illustrates the growth of the elderly population in the United States. The Y-axis is labeled in millions, with major grid lines every 100 million units from 60 to 1100. The X-axis shows years from 1970 to 1982. A solid line represents historical data up to 1975, showing a consistent upward trend. From 1975 to 1982, a dashed line projects the continuation of this trend, reaching approximately 105 million by 1982. A small inset box in the lower-left corner of the graph area contains the text 'U.S. Census Bureau' and '1982'.

### SAVE ALL YOUR BOXES FOR ME ...

The Playgroup Shop will be opening once again as soon as I get time to sort it out. Paint, glue, brushes, scissors, coloured paper and playdough will be on sale for creative play at home. (Doesn't that sound wonderful ?!)

I need lots of containers, with lids, to pack small quantities of paint and glue, and I would be most grateful if you would save any such containers for me. Ice cream boxes (2 litre capacity or smaller), margarine tubs, cottage cheese pots (the kind with their own lids) and baby food tubs with re-sealable lids would all be most useful. I would also be delighted to hear from anyone who shares my addiction to Marks and Spencer natural yoghurt, which comes in plastic jars with lids, which are ideal for putting glue in.

Please let me know if you have any containers which may be suitable. I will be pleased to collect them.

Thank you.

### BAR HILL YOUTH CLUB NEEDS YOU !

Adult volunteers are urgently required for 2-3 hours per week to help with supervision when the Youth Club is open.

We want to open each evening Monday to Friday but at present it is impossible to do this for more than 2-3 evenings per week because of the lack of help.

We are trying to provide a meeting place for the youngsters of the village, which I am sure all of us will agree is essential.

It is intended to lower the age limit to 8, and then possibly to open one evening per week for the young members between the ages of 8 - 11.

Out of the whole village at present only 6 parents are prepared to help.

## BAR HILL COMMUNITY PRIMARY SCHOOL

If you are considering, along with like minded friends, forming a society and plan to use your community school may I explain some of the benefits of Affiliating to the Bar Hill Users Association.

1. Preferential consideration for bookings of accommodation and equipment.
2. Right to apply for financial assistance from local association funds.
3. Involvement in Centre's democratic processes.
4. Opportunity to develop wide programme.
5. Advice from professional staff.
6. Sense of belonging.

As a member of the community of Bar Hill you will also be instrumental in helping to bring together people who may not otherwise become involved, increase community awareness and help the many newcomers to our village.

Consider using your community school - we have a system of community education the envy of other counties and countries. Use it and enjoy the benefits of this great asset.

Call in and I will try to help you help yourself to a wider use of the community school.

Irene Abraham  
Community Secretary

## BAR HILL TOY LIBRARY

Many of you may have seen us on the front page (no less!) of the Cambridge Evening News, or heard the piece on Radio Cambridgeshire, featuring our second birthday celebrations. A good time was had by all, and the birthday cake was much enjoyed, notwithstanding the lurid colours of some parts of it! If you thought it all looked like good fun, why not come to one of our lending sessions, which this month are on :

Friday 13th (oh dear!) May  
Friday 27th May

from 2.15 until 4.00 in the Farmhouse.

As I mentioned last month the Toy Library's AGM will be held on Wednesday 25th May starting at 8.00 p.m. in the Village Hall. FREE ! food and drink will be served to all Toy Library members attending this meeting, so please do come if you can. We are looking for new committee members but we promise no arms will be twisted. If, however, you are thinking of volunteering, please speak to any of the present committee members before the AGM.

## TEA AT TWO

Tea at Two is held every Tuesday afternoon in the Church Centre from 2.30 to 4.00 pm. Everyone, of any age, is welcome and we now have plenty of toys for the children to play with. If you are new to the village and haven't had a chance yet to make any friends, why not drop in any time between 2.30 and 4.00 for a cup of tea and a chat. Everything is very informal and the people friendly.

The Nearly New Sale held in April made £15 for Church Funds and we also had a good run on the tea and biscuits (must have been the cold weather).

If you have any questions about Tea at Two please give me a ring or call at 51 Oatlands Avenue.
